

We offer a wide variety of bubble and foam rolls, dispensers, pouches, and more to match your specific needs.

AIR BUBBLE ROLLS

Air Bubble makes an excellent cushion and void-fill.

- Protects against shock, abrasion and vibration
 - 3/16" for small items – Light cushioning
 - 5/16" for medium items – General purpose cushioning
 - 1/2" for large items – For dunnage and void fill
- Perforated Bubble rolls are cross-perforated every 12" for easy tear off

ANTI-STATIC AIR BUBBLE ROLLS

Provides both cushioning and static protection for electronic components

- Shock absorbing pink tinted bubble
- Perforated Foam rolls are cross-perforated every 12" for easy tear off

BUBBLE DISPENSER PACKS

Convenient dispensing packs for low volume or workstation use

- 3/16", 5/16" and 1/2" height bubble dispensers are portable around the work place
- Dispenser packs are U.P.S. able
- Bubble is perforated every 12" for easy tear off
- Available with regular bubble or pink anti-static bubble

BUBBLE POUCHES

No more wrapping! Simple insert product and seal!

- Self-Seal Bubble Pouches have a 1 1/2" lip and tape seal
- Open-ended Flush Cut Bubble Pouches are reusable
- Made with high-slip 3/16" bubble

AIR FOAM ROLLS

Non-abrasive, light-weight Air Foam is filled with thousands of cushioning air cells to protect your product.

- Shock absorbing foam protects delicate items
- Provides light cushioning and surface protection
- Moisture resistant
- Perforated Air Foam Rolls are cross-perforated every 12” for easy tear off.

ANTI-STATIC AIR FOAM ROLLS

Protects static sensitive electronic components from static discharge

- Shock absorbing pink polyethylene foam
- Perforated Air Foam Rolls are cross-perforated every 12” for easy tear off.

AIR FOAM DISPENSER PACKS

Air Foam cushioning in a convenient dispenser pack

- Portable dispenser pack is great for workstation use
- Lightweight foam keeps product protected and clean.
- Cross-perforated at 12” for easy tear off
- Anti-Static Air Foam protects electronic components.

FLUSH CUT FOAM POUCHES

Non-abrasive, polyethylene air foam cut and sealed to form a convenient Lightweight bag!

- Made from 1/8” polyethylene foam
